

NVIS TUTORIAL

HOW TO BUILD A PRIVATE NETWORK **FAST** WITH THE
ADMIN DASHBOARD PLANNING TOOL

2 PLAN YOUR NETWORK

- Identify Computers and **Team** Member, **Network** Servers
- **Group** name

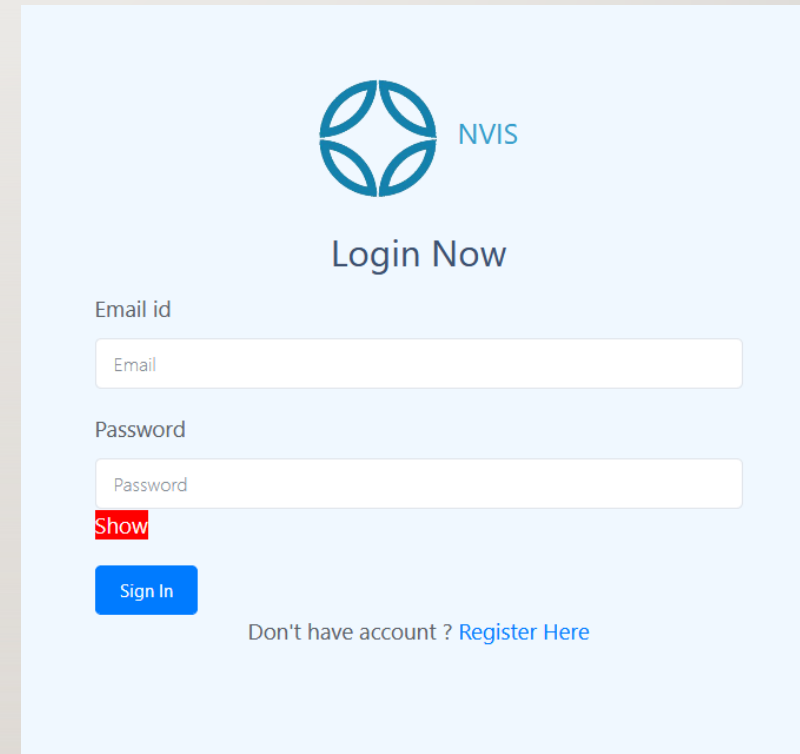

3 GO TO [HTTPS://NVIS.ME](https://nvis.me) WEBSITE TO SIGN-UP

4 REGISTER THE ADMINISTRATOR

- Register and Login (Admin menu on nvis.me)

The screenshot shows the NVIS login interface. At the top center is the NVIS logo, which consists of a blue circular icon with four leaf-like shapes inside, followed by the text "NVIS". Below the logo is the text "Login Now". Underneath, there are two input fields: "Email id" with a placeholder "Email" and "Password" with a placeholder "Password". A red "Show" button is located below the password field. At the bottom left of the form is a blue "Sign In" button. At the bottom right, there is a link that says "Don't have account ? Register Here".

5 ADMIN DASHBOARD

- Note Dashboard side menu has “**Team**” and “**Network**”

The screenshot displays the NVIS Admin Dashboard. On the left is a side menu with the following items: Dashboard, Team, Network, Applications, Policies (marked NEW), Activity (marked NEW), and Downloads. The main content area is titled 'Dashboard Analytics' and features five summary cards: POSTS (2,390, +4.7%), PAGES (182, +12.4%), COMMENTS (8,147, -3.8%), USERS (2,413, +12.4%), and SUBSCRIBERS (17,281, -2.4%). Below these are two charts: 'Users' (a line chart comparing 'Current Month' and 'Past Month' from day 1 to 28) and 'Users by device' (a pie chart for Desktop, Tablet, and Mobile). The bottom section includes a 'New Draft' form with a text area and a 'Create Draft' button, a 'Discussions' list with three entries by James Johnson, and a 'Top Referrals' table.

| Referral Source | Count |
|-----------------|--------|
| GitHub | 19,291 |
| Stack Overflow | 11,201 |
| Hacker News | 9,291 |
| Reddit | 8,281 |
| The Next Web | 7,128 |
| Tech Crunch | 6,218 |
| YouTube | 1,218 |
| Adobe | 827 |

7 CREATE YOUR GROUP FOR TEAMS AND COMPUTERS

- Select Team or Network
- Select Group tab
- Press Add Group

8 ONE-CLICK ADD TEAM MEMBERS OR COMPUTERS

- (Unique) Address and IP automatically filled with one-click of  press Submit

The image displays two side-by-side screenshots of a web form titled "Add New Member".

Left Screenshot:

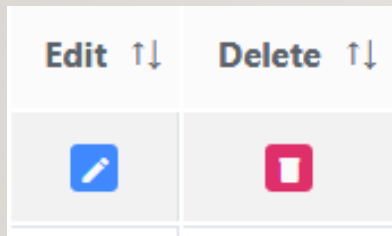

- Member name:** Greg Ryan
- Member Email Id:** greg@greg-ryan.com
- Address:** A text input field with a blue plus icon and a hand cursor pointing to it, indicating it is about to be populated.
- IP:** An empty text input field.
- Group:** A dropdown menu with "tlcnet" selected.
- Submit:** A blue button.
- Close:** A grey button at the bottom right.

Right Screenshot:

- Member name:** Greg Ryan
- Member Email Id:** greg@greg-ryan.com
- Address:** A text input field containing the hexadecimal value: 0xad57531963E8bbE0445CF92EFAA0Dccad9dEe7ba.
- IP:** A text input field containing the value: 10.0.2.78.
- Group:** A dropdown menu with "tlcnet" selected.
- Submit:** A blue button.
- Close:** A grey button at the bottom right.

9 EDIT ENTRIES AS NEEDED

- Edit or Delete buttons on each item added

A screenshot of the NVIS web interface. The left sidebar shows navigation options: Dashboard, Team (selected), Network, Applications, Policies (NEW), Activity (NEW), and Downloads. The main content area is titled 'Team' and includes a description: 'Invite your team members to join the access groups for complete access to your applications and networks.' Below this, there are tabs for 'Member' and 'Groups', and buttons for 'Add Member' and 'Add Licenses (8)'. A table titled 'All Member' displays a list of team members with columns for Member Name, Email Id, Address, IP, Group, Edit, and Delete. The table contains four entries. At the bottom, it says 'Showing 1 to 4 of 4 entries' and has 'Previous' and 'Next' navigation links.

| Member Name | Email Id | Address | IP | Group | Edit | Delete |
|--------------------|-----------------------|--|-----------|--------|------|--------|
| Bruce Fingles | bfingles@itswired.com | 0xFBa48CFF89B94b35d09e797Dc0B4ff749bc07B92 | 10.0.2.77 | nvishq | | |
| Greg Ryan | greg@greg-ryan.com | 0xad57531963E8bbE0445CF92EFAA0Dccad9dEe7ba | 10.0.2.78 | tlcnet | | |
| Phil Smith Android | aphilsmith@gmail.com | 0xb527d5cb82B4dF6F73d78371527f | 10.0.2.51 | tlcnet | | |
| Phil Smith laptop | phils@nvis.info | 0xbb492894B4038F08e9181e42B07f | 10.0.2.6 | tlcnet | | |

10 INVITE MEMBERS

13 USER LOGS IN ON LAPTOP OR SMARTPHONE

Shows:

- Address (ID)
- IP
- Group
- Download buttons for multiple platforms

The screenshot displays the NVIS User Panel interface. On the left is a navigation sidebar with the NVIS logo and menu items: Dashboard (selected), Team, and Network. The main content area is titled 'USER Dashboard' and features a large welcome message: 'Welcome to the NVIS network!'. Below this, user details are listed: 'User Name : Phil Smith laptop', 'Email Id : phils@nvis.info', 'Address : 0xbb492894B403BF08e9181e42B07f', 'IP : 10.0.2.6', and 'Group name : tlcnet'. A section titled 'You may download the client on your Windows, MacOSX, Linux or Android from the links below:' contains five blue buttons: 'Windows URL', 'MacOSX URL', 'Ubuntu Linux URL', 'CentOS Linux URL', and 'Android URL'. The top right corner shows the user's name 'Phil Smith laptop' and the page footer contains 'Copyright © 2019 NVIS'.

14 TEAM MEMBER INSTALLS NVIS APP ON LAPTOP OR SMARTPHONE (ABOUT A MINUTE)

- On the User Dashboard, press download for the desired platform
- Runs and installs the app (SafeConnect or NVIS on Android)
- App prompts for wallet address (Settings on Android)
- User copy/pastes the “Address” value from the User Dashboard
- User selects “ON” from the app menu (chain link icon on Android)
- NVIS app makes “who am I query” to be told how to connect to the network.
- NVIS app is connected.
- User may use web browser or other apps to connect using NVIS IP addresses or domain names, i.e.:
<http://10.0.1.75> or <http://howdoo.com>

15 ADMIN INSTALLS NVIS APP* ON COMPUTERS (ALSO ABOUT A MINUTE).

NVIS VPS Servers have NVIS pre-installed. If you have an NVIS VPS you can skip the Download step. Simply start NVIS via cPanel.

If you have a do-it-yourself “NVIS Self Hosting” license:

- To join your computers to the NVIS network**, the administrator may select the **Download** side menu on the Admin Dashboard, and choose the appropriate NVIS apps to install on the network computers.
- Copy the download to your computer via remote access tools
- Follow the platform instructions on:
<https://nvis.info/2017/10/03/getting-started-tlc-safeconnect-network/>

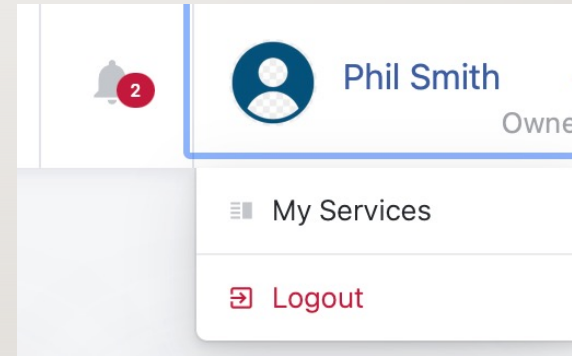

* NOTE: VPS hosts provided by NVIS, Inc. includes SafeConnect **pre-installed**.

16 REPEAT AS NEEDED... UNTIL

17 BUT WAIT, THERE'S MORE.

- Settings (upper right corner) allows you to manage orders.

18 ACCOUNT MANAGEMENT

- Logs you into Billing and Payment for licenses and other orders

The screenshot displays the NVIS, Inc. user portal. At the top, there is a navigation bar with the company name, language settings (English), notifications (NEW), and a logout button. Below this is a secondary navigation bar with links for Home, Services, Domains, Billing, Support, and Open Ticket, along with a user greeting 'Hello, Phil!'. The main content area is titled 'My Products & Services' and includes a search bar and a table of products. The table has columns for Product/Service, Pricing, Next Due Date, and Status. All listed items are 'NVIS client' with a pricing of '\$0.00 USD Monthly' and a due date of '09/09/2019', all with a status of 'Active'. A sidebar on the left offers a 'View' filter (Active: 27, Pending: 0, Suspended: 0, Terminated: 0, Cancelled: 0) and 'Actions' such as 'Place a New Order' and 'View Available Addons'. The footer contains the text 'Powered by WHMCompleteSolution' and a copyright notice.

19 SHOPPING CART NVISNET.COM

- The nvisnet.com allows you to see your orders and Place New Orders for:
 - Domain names
 - Order Hosting:
 - NVIS client licenses
 - VPS server license
 - Self-hosting server license
 - Bundles

The screenshot displays the NVIS website's product offerings. The header includes the NVIS logo, language selection (English), notifications, a 'NEW' badge, a 'Logout' button, and a user profile 'Hello, Phill'. The main navigation bar contains links for Home, Services, Domains, Billing, Support, and Open Ticket. A 'Show Menu' button is visible on the left. The central content area is titled 'NVIS only' and features six product cards arranged in two rows. Each card includes a title, price, an 'Order Now' button, and a description of the service.

| Product Name | Price | Description |
